## PHOTO GALLERY

Here are some pictures of people, instead of just places, for a change. Above left is Stephen Krempl and I in Singapore. Above center, in London with Mike Carroll. Above right, clowning with Ian McDermott (from London) in Santa Cruz. Lower left, in Singapore, from the left, Hermann Ditzig, Cindi, Leo Angart, me, Judy Delozier and Edgar Gho. Lower right, in Helsinki, from the left, Jan Prince, Suzi Smith, Lucas Derks, Joseph O'Connor, Richard Bolstad and me, along with the Helsinki staff of the conference we did there. Third from the right, in the back, is Tim Murphey. All of these folks are friends, and well-known trainers from around the world.
